## **AUTHORITY BUDGET**

FISCAL YEAR:

FROM:

July 1, 2020

TO:

June 30, 2021

Answer all questions below. Attach additional pages and schedules as needed.

1. Complete a brief statement on the 2020/2020-2021 proposed Annual Budget and make comparison to the 2019/2019-2020 adopted budget for each *Revenues and Appropriations*. Explain any variances over +/-10% (As shown on budget pages F-2 and F-4 explain the reason for changes for each <u>revenue</u> and <u>appropriation</u> changing more than 10%) for each individual revenue and appropriation line item. Explanations of variances should include a description of the reason for the increase/decrease in the budgeted line item, not just an indication of the amount and percent of the change. Attach any supporting documentation that will help to explain the reason for the increase/decrease in the budgeted line item. (Example Rate Increase authorized by resolution or by HUD).

Budgeted revenues are anticipated to be adequate to cover projected expenses for the budget year ended June 30, 2021, resulting in a moderate budget surplus from operations of \$15,876. Anticipated revenues total \$6,167,752; a decrease of \$53,621 (0.9%) as compared to the prior year. Total appropriations budgeted for the fiscal year ended June 30, 2021 are \$6,151,876; a decrease of \$50,688 (0.8%) versus the prior year.

Significant changes in budgeted revenues (variances of +/- 10%) are as follows:

Nondwelling rental revenue decreased \$5,300, or 57.0%, to be more in-line with actual and projected operating results.

Incoming portability admin fee revenue decreased \$8,250, or 34.4%, as the HCV program absorbed a significant amount of vouchers.

Management fee revenue from EAH increased \$4,475, or 852.4%, as the authority earns approximately \$5,000 in annual management fees from EAH.

Bookkeeping fee from HCV revenue increased \$28,043, or 100%, as the Authority anticipates charging its HCV program a bookkeeping fee during the fiscal year ending June 30, 2021. This fee was excluded from the prior year budget.

Significant changes in budgeted expenses (variances of +/- 10%) are as follows:

Administrative benefits decreased \$35,416, or 13.8%, due to changes in staff and related administrative benefit cost allocations.

Legal expense increased \$10,000, or 35.7%, to be more in-line with actual and projected actual expenses.

Staff training expenses increased \$8,650, or \$79.7%, as the Authority's recent new hires will require various training courses during the upcoming fiscal year.

Accounting expenses increased \$10,900, or 32.0%, to be more in-line with the current fee accounting contract. The authority also anticipates additional accounting expenses due to the potential/anticipated voluntary streamline conversion.

Miscellaneous administrative expenses increased \$103,393, or 56.6%, to more accurately reflect the Authority's actual anticipated expenditures including tenant background checks, office supplies, software costs, inspection services, and other miscellaneous administrative expenses. In addition, the HCV program miscellaneous administrative costs now include a bookkeeping fee due to the COCC.

Maintenance fringe benefits increased \$16,289, or 15.9%, due to changes in staff related administrative benefit cost allocations.

Please also note the Health cost benefit details on page N-5 decreased \$41,881, or 18.0%, due to change in housing authority personnel and also changes in benefits coverage (single, family, etc.).

2. Describe the state of the local/regional economy and how it may impact the proposed Annual Budget, including the planned Capital Budget/Program. Example would be effect on a recession in the economy on the housing Authority

The local / regional economy is weak, but stable. The effects of the economy have been considered in projecting tenant income and resulting rental income and housing assistance payments expense in the public housing and housing choice voucher programs. Thus, the state of the local / regional economy does not have a significant impact on the proposed budget.

3. Describe the reasons for utilizing Unrestricted Net Position in the proposed Annual Budget, i.e. rate stabilization, debt service reduction, to balance the budget, etc. If the Authority's budget anticipates a use of Unrestricted Net Position, this question must be answered.

N/A

4. Identify any sources of funds transferred to the County/Municipality as a Pilot Payments, or a shared service and explain the reason for the transfer -- Housing Authorities cannot transfer Unrestricted Net Position (i.e.: to balance the County/Municipality budget, etc.).

Under federal, state, and local law, the Authority's programs are exempt from income, property and excise taxes. However, the Authority is required to make payments in lieu of taxes (PILOT) for the low-income housing program in accordance with the provision of its Cooperation Agreement with the City of Edison. Under the Cooperation Agreement, the Authority must pay the municipality the lesser of 10% of its net shelter rent or the approximate full real property taxes.

5. The proposed budget must not reflect an anticipated deficit from 2020/2020-2021 operations. If there exists an accumulated deficit from prior years' budgets (and funding is included in the proposed budget as a result of a prior deficit) explain the funding plan to eliminate said deficit (N.J.S.A. 40A:5A-12). If the Authority has a net deficit reported in its most recent audit, it must provide a deficit reduction plan in response to this question.

(Prepare a response to deficits in most recent audit report pertaining to Deficits to Unrestricted Net Position caused by recording <u>Pension and Post-Employment Benefits liabilities as required by GASB 68 and GASB 75).</u>

This authority, excluding the discretely presented component unit, has an accumulated deficit of \$281,815 per the most recent audited financial statements. The Authority does not anticipate a deficit in the proposed budget. The deficit in unrestricted net position is the direct result of OPEB and pension liabilities. The Authority would require additional funding from HUD or a new revenue stream to eliminate this deficit.
